OBJECTIVE

I am seeking an internship position as a .NET Developer to gain hands-on knowledge and practical experience within a company. My focus is to leverage my programming skills and IT knowledge to excel as a full-stack developer. With my adaptability, I am confident in mastering responsibilities quickly, aiming to advance to more senior roles in the future.

EDUCATION

◆ **FPT University Campus Ho Chi Minh City**   8/2021 - 8/2025

Software engineering

Current Semester: 8/9
Current GPA : 7.14/10

WORK EXPERIENCE

◆ **Pythera AI**   May 2024 - August 2024

.NET Developer Internship

I am responsible for designing and developing image editing software utilizing MAUI .NET in combination with an AI model implemented in ONNX.

ACTIVITIES

◆ **Sonic Love**   August, 2024 - Current

Experiential Entrepreneurship

Sonic Love is a dating app project that helps people match each other through each other's words, as well as research on the market and how to start a business through that app.
